

## Help send FIRST Robotics Competition Team 3489 to Championship

**BUY TICKETS TO APRIL 8<sup>th</sup> GAME @ 7pm**

**Goal: 200 tickets**

Click Link:

<http://www.etix.com/ticket/c/A1E2A60443663DBC8E3E3BF45E444E44/frc>

Copy: Category 5 (so you can paste it on the Check Out page)

Click  Select your number of tickets.

Click  Verify purchase. Click   
On the Secure Check Out page paste “Category 5” in Group/Company line!  
That will give us credit for your ticket purchase.

**Come see our robots and meet our Team 3489 “Category 5” at the game!**

Team 3489 is a FIRST Robotics team located in Summerville, South Carolina. They have students from Ashley Ridge and Summerville High School, Palmetto Scholars Academy and other charter schools. The team consists of fun loving and hard-working students who know how to get things done! They practice in a professional work environment, the Bosch manufacturing plant.

During this season of STEAMWORKS, in addition to earning a wildcard spot for the *World Championships* in Houston we also captured two awards:

***Excellence in Engineering*** sponsored by Delphi - Celebrates an elegant and advantageous machine feature.

***Imagery Award*** - In honor of Jack Kamen, Dean’s father, for his dedication to art and illustration and his devotion to FIRST. This award celebrates attractiveness in engineering and outstanding visual aesthetic integration of machine and team appearance.

The funds for this campaign will help get their team to Houston, TX where they will compete with teams from over 39 countries around the world. This is a once in a lifetime experience for these high school students. They will join over 1300 other teams and 30,000 youths in this Coopertition.
